and stated that she would like to get a status report on the Department's actions on this matter that were taken to date.

COMMENT: Mrs. Indrieri, while not unpleasant during the conversation, clearly seemed disappointed at what she perceived as a lack of concern on the part of the Department and Embassy regarding her brother's disappearance. I argued strongly about the line of inquiry with Colonel Majano. However, she gave the impression that the family was grasping at any straw in order to learn about the fate of her brother, which is understandable under the circumstances. I believe it would be useful for OCS and/or ARA/CEN to telephone Mrs. Indrieri at the number mentioned above to discuss the three points raised in this memorandum.
